

Queer Thoughts
Alexine Haynes

Go For a walk. Come back.

if the dog is still in the crate
you know you left it that way

if there is a fur coat on the ground
you know you own it now

if tuesday comes after the weekend
the campground didnt close

youre still on your own
if the trophy isn't in your home
like the place across the street
wont you come on home.

Styles Spacing Lists

i cant believe it
i cant believe it
